## Thanks Pen-NY Mixers

Jim & Sherry Miller, their crew and all of the Pen-NY Mixers made us all feel welcome. They made the Harborfest experience a most enjoyable event.

### NEAR Rally Report

We had a great time at the NEAR. WE got to see people we only see once a year and got to meet and talk with lots of new people. The group of coaches from the Centrals was small but that didn't keep us from having a lot of fun!!!!!!!!!!!! Bart certainly made a lot of lemonade!!!!!!!!!!!! Happy hour wasn't just an hour, they lasted until 8 or 9 most nights.

The entertainment was great this year, most of the groups played music from the 50s and 60s which brought back memories. Bart and Charlotte even did the twist one night!!!!!!!!!!!!!! Of course Bart had a hard time getting out of bed the next morning.

I want to thank Charlotte for doing 4 craft seminars. She had full classes all 4 times and the ladies enjoyed them all. Bart did 2 seminars on Dutch Oven cooking which were well received also. Vendors were a little short this year but all of them seemed to have a lot of business.

I know a lot of our members don't like to go to NEAR but the rally is what you make of it. Our group did our volunteer work and had fun besides. The ladies went on a trip to the Christmas Store and managed to spend some of our husband's money.

Thanks to all of you who volunteered, you were GREAT!!!!!!!!!!!!!!!!!!!!!! WE had a lot of fun and what happened in Vermont will stay in Vermont.

Thanks to my husband too, for having the golf cart and making my life easier especially on the HOT days. Think about joining us next year.

Elaine Barton

Hi everyone.

Sorry to say Sandy and I did not make it to the North East rally. I want to take a minute to thank all those that went , I know that Bart & Elaine , Charlotte & Rich worked very hard along with the rest of the crew .

I also will be waiting to meet the new members.

Sandy & I went to Oswego, had a great time. There were 67 coaches in attendance. The rain stopped just in time to see the fireworks.

We hope to see most of the gang at the regional market August 20

Your VP Paul

The Northeast Rally in Essex Junction was a success. Once again, our chapter excelled as Hosts and Hostesses of the various seminars. We also added 3 new members to our club.

The rally with the Pen-NY Mixers at the Oswego Harbor Fest (July 22-25) was also a success. There were about 65 coaches total; Nine from our club. Many chapters were represented in addition to the host Pen-NY Mixers and Fingerlakers.

Harborfest provided good shopping, food and entertainment, The fireworks display on Saturday night was excellent. Hopefully, if this rally is held again in future years more of you will be able to come and enjoy it.

As for our rally schedule for next season, we are still looking for folks to commit to hosting rallies; we have had several people say they have some ideas, but nothing solid as yet. With the season coming down to the last couple of months, we need to make this schedule happen! Let me know if you can be a host for the 2011 season.

While Charlotte and I will not be at the August rally in Syracuse for the weekend, I hope to get up there Saturday to say hello. Until then take care,

Rich Burrell.

We had a great time at NEAR rally, and as usual, Bart and our parking crew friends from Susquenango got us great parking spots. Our club had 6 coaches attend. We had a happy hour every day and drank lots of "Internationally famous" lemonade.

Thanks to Steve & Roseann and Bart & Elaine, we signed up 3 new members and met a couple who are members but hadn't yet been to a rally with us. We also got to know new members Robin and Mike much better. I think we will be seeing a lot more of these great people.

I taught 4 craft seminars and that went quite well, for the first time I ever did something like that.

The Harborfest rally put on by the Pen-NY mixers was also a lot of fun. In spite of downpours on and off, we got to shop, eat, enjoy the fireworks, and each other's company. As usual, I did my part to help the economy! I plan to send a thank you card to our hosts, the Millers and the Pen-NY mixer club for inviting us.

I sent cards this month to Sam Allen who had open-heart surgery, and to Sandy Hallagan who lost her sister in law last weekend. If anyone knows of anyone else who should get a card from the club, please let me know.

Char

I'm sorry Jim and I missed the rally at Brewerton. I'm sure it was great. Jim's surgery went well. He has had inpatient rehab and was discharged Friday, June 25. We missed NEAR in Essex Junction. It was best to concentrate on recovery. We will try to see you in Waddington or in Syracuse. Until next time.

We had a great time at NEAR. Yes it was hot but we had seven coaches and happy hours every day, with "lemonade". The first day's happy hour ran from 4:00 pm until 8:30 pm!

The new bylaws were approved for NMA. We picked up three new member coaches and met another new coach member pair for the first time (Dave and Susan, Bob and Pat, Dave and Joan, and Gordon and Marie). Hope I remembered all their names right.

Thank you to all the volunteers who helped to make my job of Seminar Captain so easy. I want to thank Char for donating the proceeds of her craft seminars to the chapter. I also want to thank Steve for backing me up so well. In addition, best of all, the New York Centrals newsletter was judged by the vendors as "Best of the Show". Congratulations to Bob. We already knew our newsletter editor was the best!
