Thank you TIV

John and Alice Foy once again did a fabulous job hosting the Waddington Days rally. All attending New York Centrals had a great time.

Waddington Rally

Thank you to all of our New York Central friends for joining us at our Rally. We had 13 coaches from the Centrals and 24 from TIV.

John & Alice Foy

August Regional Market Report

The regional market enjoyed the RV'ers. We had 22 coaches. Four Thousand Island Voyageurs coaches also came. We want to thank Esther and Jerry Rogers for co-hosting the rally. Also thanks to Jimmy and Kathleen Mancini for their help. Some of the women went shopping. Also some men went shopping Saturday.

We had a great buffet at the Regional Diner on Saturday night. There were 50 people that came for that. Some of the guys went to the ball game Saturday night.

Sunday wasn't so great of a day due to the weather.

We had two great fireworks shows. One from the Ball park and one from the Harbor. They were beautiful.

We want to thank you all for coming and making the rally as nice as it turned out to be.

We attended a very good rally last weekend. If you missed it, you missed a good one. Martha, Lee, Kathleen, Jim, Esther, and Gerry put on a good rally. We had a total of 22 motor homes, 43 people, and approximately 19 dogs in attendance. It was a good weekend over all, it did not rain until Sunday. The temperature got up into the 80's for a good part of the weekend, but it cooled off in the evening so it was good for sleeping.

This will be my last report as president of the New York Centrals as my time is getting short. I am still having a great deal of trouble trying to type. It has been a great honor for me to express myself to you for the last couple of years, but it has become quite a chore at the same time. I have tried to talk about things other than the most recent camp out. I hope that some of it has been a little bit interesting to you.

We are looking forward to attending camp outs as just members, not officers. I would like to thank all of you who have helped me out. It has been a very good time.

Happy Trails
William S. Leach

Although Char and I didn't get the August rally officially, I was able to drop in for a couple of hours on Saturday. It was very impressive to drive in and see so many coaches there! Lee and Martha, super job on the rally. It seemed everyone was having a good time and many folks got to the farmer's market to pick up some goodies. One reason I was there was to make my delivery to Stan. I am his supplier of baking powder biscuits. Now that he is hooked, he needs his biscuit fix each rally 😊.

We are trying to get the rally schedule for next year in order. Paul has arranged a rally for May with one of our newer members hosting. We would like to see one of our more experienced members step forward and work with the new members to co-host this rally. Anyone interested should contact Paul or myself. Others who have expressed a willingness to host a rally are Bart and Elaine at Finger lakes Race track, the McCoy's at the apple orchard in September, and Char and I are also willing to host one. Stan is also looking into possibly hosting a rally in Canada.

Also don't forget that July will be the NEAR rally in VT and August is the FMCA International Convention in Madison, Wisconsin.

Til later, drive safely and enjoy yourselves.

Sorry I missed the August rally. I heard it was a great and very well attended rally. I went to the Antique Festival at Boukville with my sister, my friend Mary and my son Ricky. We shopped from Wednesday thru Saturday. Unfortunately, due to the heavy rain, we missed out on shopping on Sunday. I didn't buy too much, but enough to made me happy.

We are planning on going to the Susquennango's rally at Bainbridge and then to Hejamada, and Gettysburg, so the next few weeks are looking very busy. On top of that, Rich has been having pain and weakness in his arms, and saw an orthopedic and neurosurgeon. He has to have a cervical laminectomy (the same surgery Bill Leach had a few years ago) and then rotator cuff repair. They are trying to schedule it in the next month, so that may put a monkey wrench in our RV plans, but on the other hand, he may be feeling well enough to go to Gettysburg with us. We'll have to see what happens.

I sent a card to Elaine Barton who lost her mother August 24. There were 8 New York Centrals at her funeral, which I'm sure Elaine appreciated. I also sent a card to Doug and Millie Arthur telling them that we've missed them this year. If any one knows someone who should be sent a card from the club, please let me know.

I've received a report from Paul DuBois regarding the Governing Board meeting at FMCA Convention in Redmond, OR. The FMCA budget was approved over-whelmingly. The Governing Board voted to allow all National Officers to run for two 2-year terms. The Convention Committee has been directed to come up with plans so that conventions stop the serious losses.

Jim and I had a great time at the TIV rally in Waddington and at the New York Centrals rally at the regional market in Syracuse. It was good to see so many of you. It doesn't look like we'll be at the Sept. rally nor at the yearend dinner.

It was a pleasure serving the Chapter as National Director. We'll see you down the road either in Florida this winter or at next year's rallies.

Wow! What a summer. We left Harborfest for 12 days at Coles Creek on the St. Lawrence in the Thousand Islands area. Had a great time except for the casino eating all our money. Then went into Waddington with the 1000 Island Voyagers. Another great rally, thanks to John and Alice. Of course we had more "lemonade"; I want to extend a special thank you to Char for keeping me in lemons and limes and another thank you to Bill and Dianne who bought a bottle of gin.

Then we had a couple from Florida stop by for a night on their travels. We have been a "Stoppin, Spot" with FMCA for many years and these were our first guests. If you have room to park a coach overnight, we would encourage you to call FMCA and register. We had a great time with them.

Sorry we missed the Regional Market in August but our son Matt, who some of you have met, got married August 21st and Elaine decided we should kinda go to that.

Along with Steve and Roseann, we are hosting the September rally at Hejamada Campground in Port Byron. We will have water, electric and sewer there. We hope to see all of you there.

Bart

In Appreciation

Now that my total knee replacement surgery is past and I'm well on the road to recovery, I'd like to thank all of you for the great get well soon cards. They were really appreciated.

Jim Canfield

I would like to thank the members for all their kinds words of comfort and sympathy in the passing of my Mother this past week. I would especially like to thank the members who journeyed to Endicott on Saturday to be with us at the funeral. I always knew the people of the New York Centrals were special and you certainly proved it this weekend. Thanks again!
